

2016-17 Internship Program

If you are looking for a way to build your resume and learn more about the communications industry, Wilkes Communications is looking for you!

We are looking for student interns to work in the following areas: Video broadcasting, business affairs, customer service, brand representation, and marketing/graphic design.

Interns will be required to complete 7.5 hours per week. All internships will begin unpaid, and have the potential to become paid. Work times may vary based upon position.

1400 River Street
Wilkesboro, NC 28697
336-973-3103

Video Broadcasting

Students will learn skills of a basic video project including, video, audio, and editing.

Business Affairs

Students will learn daily office functions, as well as, assisting sales reps with daily activity.

Customer Service

Students will learn how to interact with customers on a professional level, and address customer needs.

Brand Ambassadors

Brand Ambassadors will be responsible for learning the WCI brand, representing the organization, and communicating our mission.

Marketing & Graphic Design

Marketing and graphic design will explore students' creativity as they develop new ways to market WCI.
